Workshops sponsored by the Cumberland County Cultural and Heritage Commission and The Board of County Commissioners with the support of the New Jersey State Council on the Arts and the New Jersey Historical Commission.

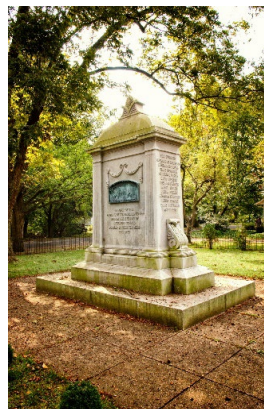

This workshop will provide a step-by-step guide to the Cumberland County Cultural & Heritage Commission’s re-grant application process. The guidelines will be reviewed, and the application will be explained in full detail.

As well, the workshops will discuss the latest trends in experiential programming and what leading organizations are doing to attract audiences and create relevancy.

As usual, the history and arts workshops are being combined into a single evening to encourage collaboration and partnerships. Come join your fellow cultural non-profits for a lively discussion!
